# Starting business in Germany

You have successfully grown a company abroad and now want to set up a branch office in the most powerful country in the EU? When launching your business in Germany, your key competences, products and services will keep you busy enough as it is. But as a foreign entrepreneur it is important to be aware of specifics relating to Germany, for example when it comes to:

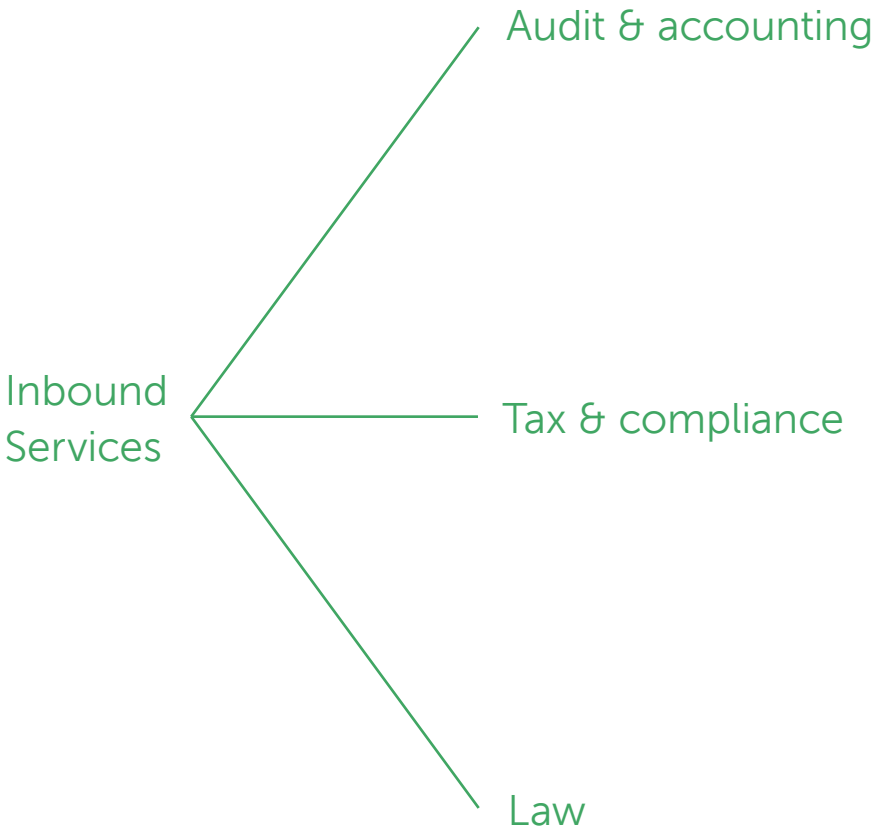

The above aspects are very individual issues and you will have to take important decisions, so tailor-made solutions from a single source will be essential to your success. A close relationship between you and our experts at dhpG guarantees you an easy and uncomplicated start to your new projects.

We do not only work in a multi-disciplinary, but also inter-disciplinary manner: our auditors, tax advisors, attorneys and IT specialists develop an optimum solution in close consultation with each other.

## Our aim is to advise you individually
